Dear Yigal, Natallia & the entire CI Immigration team!

---

Since we signed the contract with Yigal May of 2015 we knew we were in good hands. This LONG road had it's ups and downs and throughout this journey your team, and Natallia in particular, showed immense patience, tolerance and much desired attention.

Even though we had our share of luck, there is no doubt we owe most of our thanks to your hard work, patience and persistence!

Thanks for everything and keep up the good work,

THANKS FOR MAKING OUR DREAM

COME TRUE!

See you in Canada!

Maayan, Rita & Maggie Harel
